and Sales Manager.

By Dennis H. Pillsbury

"**T**here's just a constant awareness of being different," says Tom Dawson, CPCU, CRIS, president of Dawson Insurance, Fargo, North Dakota. "We're not just relying on good service and being around 90 years. That's been a real change in recent years. We focus on ways to differentiate ourselves from the competition through value-added services to our clients and to our community."

"Of course, it certainly doesn't hurt that Dawson Insurance has been serving the Fargo area since 1917 when it was founded by Tom's grandfather, Charles A. Dawson, as a crop insurance general agency and an independent agency for other lines of business. Tom's father, Bob, and his uncle, Jim,

FLIP UP WINDSHIELDS

Build kit includes windshield, gasket, and all necessary hardware.

CLEAR YOUR VIEW WHENEVER YOU WANT.

You're out on the trail and you don't want any separation from the beauty before you. With one quick twist of a handle, you can see it all and let it in the breeze that you crave. Whenever you need more protection from the elements, pull in the handle to latch the windshield closed with minimal force. It's that simple.

MANUAL WIPER KIT WITH 12" WIPER BLADE

12" WIPER BLADE
Refills with any standard automotive wiper blade

GLASS FILLED NYLON CAPS & HANDLE
For durability and strength in all weather conditions

TENSION SPRING
Maintains blade pressure along windshield surface for consistent sweep

Includes 12" wiper blade, arm assembly with tension spring, ergonomic handle, weather caps, and mounting hardware.

MSRP: \$39.99

KEEP RIDING, NO MATTER THE WEATHER.

This easy to install accessory, designed with bad weather or wet conditions in mind, works on your hard coated polycarbonate windshield. Our kit is a manual system with an ergonomically designed handle for a solid grip and offers easy operation with gloved or mittened hands (no more little plastic balls pretending to be a handle).

Ergonomic handle to create a solid grip

Easily wipe away rain, snow, or mud from your windshield with the 12" automotive style wiper blade. Need more coverage? No problem, simply replace the blade in the kit with a longer standard automotive wiper blade found at any number of stores.

FALCONRIDGE.COM
@FALCONRIDGEPOWERSPORTS

Versatile mounting allows for the perfect wiper placement.

NOTE: Designed for use with hard-coated polycarbonate windshields. DO NOT USE on uncoated polycarbonate.

723

Falcon Ridge serves up an additional dose of traction with the 723 radial tire.

Deep lugs are ready to take on mud, dirt, rock or sand. Multiple layers of sidewall protection help resist punctures and add traction when conditions go from 'easy' to 'fun'.

If you tackle a variety of terrain on a single ride, the 723 is an excellent choice to rely on to get you through from start to finish.

FEATURES

- **Heavy-Duty 6 Ply Radial Construction**—delivers a smoother and more comfortable ride over a variety of trail surfaces.
- **Engineered to Provide Excellent Handling**—giving riders more control and confidence in dirt, mud, rock and sand.
- **Heavy-Duty Sidewalls and Shoulder Lugs**—help prevent sidewall punctures and wheel damage in harsh conditions.
- **Excellent All-Around Traction**—giving riders a sure-footed feel as they explore new trails.
- **Directional Tread Pattern**—designed to allow mud and dirt to easily flow between lugs for optimized traction in a variety of conditions.

The image is a screenshot of a web browser displaying the Falcon Ridge website. The browser's address bar shows 'falconridge.com'. The website has a dark grey header with a Falcon Ridge logo (a stylized eagle) and the text 'FALCON RIDGE'. To the right of the logo are social media icons for Facebook, Instagram, and YouTube. A hamburger menu icon is on the left. The main content area features a large hero banner with an orange background and a pattern of tire tread. The banner text reads 'CONQUER NEW TRAILS WITH FALCON RIDGE TIRES'. Below this text are three dark grey buttons labeled 'COUGAR', 'VANQUISH', and '723'. The banner image shows three large, detailed views of Falcon Ridge tires. Below the banner is a section titled 'FEATURED VIDEOS' with two video thumbnails. The first video is titled 'VELOCITY FLIP UP WINDSHIELD' and shows a woman operating a vehicle with a flip-up windshield. The second video is titled 'TRAILHEAD SIDEVIEW MIRRORS' and shows a man standing next to a vehicle with side-view mirrors. A 'Help' button is located in the bottom right corner of the page.
